1200MM WASH TROUGH, LEG PEDAL OPERATED

Model WT1200KP | 2 person, wall mounted, with leg pedal frame

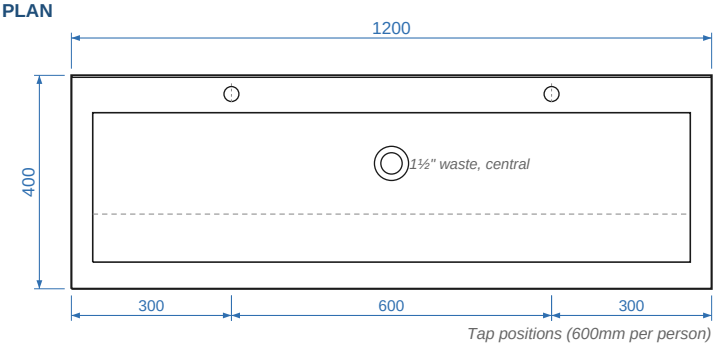

A two person, 1200mm long stainless steel wall mounted wash trough with leg pedal operation. A stainless steel frame below the trough carries one pedal valve per position, so water is controlled hands-free.

The 1½" waste outlet is centrally located. Supplied with waste fitting and heavy duty wall brackets.

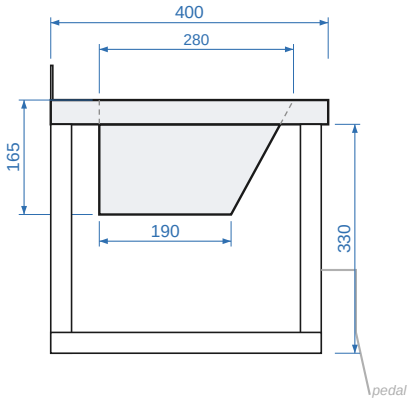

Front legs, a taller upstand and custom sizes are available as options.
