## STAINLESS STEEL CATERING & HYGIENE PRODUCTS

**Name:** Portable Sink Unit - with water heater

**Model:** MS-6

**Description:** Reliable, hygienic and easy to use, this fully transportable mobile wash basin is ideal for outdoor occasions with no water connection available.

The tank holds 15 litres of water and the tap is operated by a foot pump, while fitted wheels allow for quick and easy movement.

- Pressure cut out prevents hot water tank from boiling dry
- 15 litre tank capacity heated by an element that keeps the water at a constant 42 degrees for comfort and safety
- Manufactured with a 300mm round bowl
- Foot operated pump activates the tap for maximum hygiene
- Easy to clean and supplied with a waste water bucket removable for emptying
- Wheels on the back of the unit along with a handle fitted to the back of the unit which makes it easy to move around
- Tank easily accessible for refilling from the top
- The tank access is covered by a latched lid
- Unit has full compliance with HSE hand wash regulations
